

# GROVER'S GRILL

The 43rd Carolinas PGA Hall of Fame Inductee!!

Grover Bullin, PGA, was the Golf Professional here at Wilson Country Club from 1947 to 1989. Not only did he help shape what we all love about this great Club, but he is also a cornerstone of developing the game of golf in Eastern North Carolina. Grover was known for his selfless approach to the game and his work to cultivate programs for junior and women golfers. Following his retirement from Wilson Country Club, Bullin continued to grow the game by teaching lessons for the Wilson County Parks and Recreation Department, and developed fundraisers for underprivileged youth in the area.

Grover Bullin was voted Carolinas PGA Golf Professional of the Year in 1962. He served on the CPGA Board of Directors from 1964-1966. Wilson Country Club gives a Golf Scholarship at Barton College annually in his name. The Grover Bullin Endowed Scholarship was established in 1989, at the time of his retirement, and is used in place of institutional aid to a member of the golf team.

Our Grillroom was renamed Grover's Grill in 2013 to honor Bullin's incredible commitment to Wilson Country Club. Thank you for dining with us.
